1. Banner INB access by default is limited to on-campus use. In order to access remotely, a supervisor must complete this form.

2. Once approved, you can access Banner remotely using the Cisco Anyconnect VPN and DUO.
   1. See this FAQ for instructions on downloading and installing the VPN.
   2. See this FAQ for instructions on connecting to the VPN using DUO.
3. Anytime you wish to connect after the first time, open the VPN application, launch the program, and type in vpn.uncc.edu/remoteinb. Then, simply open a browser and go to banner.uncc.edu to log in.
4. To disconnect from the VPN, right click on the icon in the Taskbar (Windows) or Menu Bar (Mac OS X) and select Quit or Disconnect.
