How can students tell if their Canvas course is available?

**Tell Me**

You can check your enrollment in a Canvas course and also see if your instructor has released content to students

1. In the left navigation, click the **Courses** icon
2. Click the **All Courses** link

![Diagram showing how to access courses](image)

3. Find your course in the list. If you see the course in the list, you are enrolled in it with the access listed in the **Enrolled as** column

![Table showing course enrollment](image)

4. If the **Publish** option is set to **No**, students cannot access the course. Contact your instructor about when the course will be available to students
