How do I set up Gmail on my Windows phone?

Tell Me

1. Go to **Settings**
2. Click on **email+accounts**
3. Click on **add an account**
4. Click on **Google**
5. Click connect

6. Enter your UNCC email address and password

7. Click Sign In

8. You'll be redirected to the UNC Charlotte Web Authentication page. Enter your NinerNET username and password

9. Click Log In
10. Click **Accept** on the next page

- Windows would like to:
  - and manage your mail
  - who you are on Google
  - your email address
  - ago your calendars
  - ago your contacts

Note: By allowing this app and Google to use your information in their respective terms of service and privacy policies, you consent to various aspects of your personal data, and you acknowledge the risks involved.

11. On the next page, make sure the **Email** box is checked (you can also sync **Contacts** and **Calendars** if you choose)
