Can Dropbox Team Folders be shared with people outside of UNC Charlotte?

Tell Me

1. IT depends on how the Team Folders were originally set up.
   1. Dropbox Admins and Dropbox Group Managers have the option of allowing links to be shared with people outside the organization.
   2. If the option was No, you won't be able to share outside the organization.
   3. If the option was Yes, you can share outside of UNC Charlotte.

2. Only Dropbox Administrators and Dropbox Group Managers can change Team Folder membership on the top folder level.
3. Sub-folders can be shared with people outside of UNC Charlotte by Dropbox Group members who have access to the Team Folder - see this FAQ for instructions.
