How can I send a mass email to faculty, staff or students?

Tell Me

1. Mass emailing is limited to essential University announcements and must be approved by the appropriate administrative authority.
   1. Only the Offices of a Department Chairperson, Director, Dean, Executive Director, Vice Chancellor, or Chancellor may authorize these messages.
   2. Requests for research announcements are not typically sent out as a mass email. The researcher may need to work with IRB for approval and IR to identify appropriate population for email.
2. Once approved, contact your divisional lead to send out the message.
