For past timesheets that are closed, the supervisor or departmental timekeeper must first re-open the timesheet by clicking the **reject** or **correct** button located on the green action bar in the top right corner of the employee's timesheet.

2. Click **Change Requests** on the green action item bar at the top right of the screen.
3. In the window that opens, click the drop-down for Change Type and choose Cancel Time Off or Modify Time Off.

1. If Cancel Time Off is selected, any approved time off on the timesheet will be displayed.

   1. Click the white box to insert a check mark next to the applicable date to cancel.
   2. Click Submit Changes.
