Can I use a 3rd party vendor like iContact, ConstantContact or MailChimp to send emails from a @uncc.edu email address?

Tell Me

1. Yes you can but check with the vendor to see if they support authenticated **DKIM** compliant mail.
   1. If yes, work with IT to make sure the software is configured correctly - see Step 3 in this FAQ.
   2. If no, either find a different vendor or contact ITS.
