Can I use spellcheck in Gmail?

Tell Me

Since Gmail is an online tool there is an automatic spellcheck that underlines incorrect words. You can also use the spellcheck tool when composing a message, or replying to a message:

1. Click the down arrow at the bottom right of the message window (opposite the Send button)
2. Click the Check spelling option
   1. Click the down arrow next to Recheck and select a language, if appropriate
3. Click Recheck, if needed
