How do I delete my employee's automatic lunch deduction in Kronos WFR if they were unable to take a lunch break?

Tell Me

Two options are available. Each option results in the same outcome: the employee's automatic lunch deduction is not calculated.

1. **Option 1**
   1. In Kronos WFR, go to My Employees > Employee Information and click on the Schedules tab.

2. Delete the schedule for the day the employee did not take a lunch break.
3. The record deleted will no longer appear on the schedule, as shown in the screenshot below for Tuesday, 11/03/2015.
4. Return to view the employee’s timesheet. The 0:30 minute deleted Calc. Break no longer appears by the corresponding date, as shown in the screenshot below for Tuesday, 11/03/2015.

2. **Option 2**

   1. Change the schedule to one that does not include the automatic lunch deduction, as shown in the screenshot below for Tuesday, 11/03/2015.

**Tip**
Reference this FAQ to learn how to override your automatic lunch deduction.
