How do I use the Duo app to generate a passcode?

Tell Me

After entering your NinerNET username and password, at the Duo prompt...

1. Choose the **Enter a Passcode** option

![Duo authentication page](image)

2. Open the **Duo** app on your mobile device
3. You will see a 6 digit number code
4. Enter the code on the Duo authentication page and click **Log In**

![Duo app interface](image)

5. Log out of the service when you're finished
