How do I set up Gmail on my Windows phone?

Tell Me

1. Go to **Settings**
2. Click on **email+accounts**
3. Click on **add an account**
4. Click on **Google**
5. Click connect

Enter your UNCC email address and password

7. Click Sign In
8. You’ll be redirected to the UNC Charlotte Web Authentication page. Enter your NinerNET username and password

9. Click Log In
10. Click **Accept** on the next page

- Windows would like to:
  - manage your mail
  - who you are on Google
  - your email address
  - your calendars
  - your contacts

*Note: you allow this app and Google to use your information in their respective terms of service and privacy policies. You can also click on other Account Permissions at any time.*

11. On the next page, make sure the **Email** box is checked (you can also sync **Contacts** and **Calendars** if you choose)
