Do I need to use Duo every time I login?

Tell Me

1. Yes, but using the **Remember me for 30 days** option on a trusted computer will make it easier.

   Do not use this option on public or shared computers.

2. Check the **Remember me for 30 days** checkbox at the bottom of the Duo window and select your Duo authentication method: **Send Me a Push**, **Call Me**, or **Enter a Passcode**
