What is Duo restore and how does it work?

Tell Me

- The Duo Mobile app includes a feature called Duo Restore.
- This functionality enables Android and iOS Duo Mobile users to back up their **Duo-protected accounts** and recover them when they get a new device.
- Information about setting up backup and recovering accounts after restoring from backup can be found in this [Duo Knowledge Base article](#).
  - Note that there are different instructions for iOS devices and Android devices.
