How do I update or add my personal cell phone number in Banner?

Show Me

Tell Me

Alternate email address and/or cell phone is required for emergency notifications, NinerAlerts, and account verification. Current faculty, staff and students can update this information on the NinerNET website for password and account management. The information will then be added to Banner.

Legacy Self Service Banner accounts do not have access on the NinerNET website for password and account management and will need to follow the instructions below.

Note

In order to update some personal information in Banner you will be required to verify your identity using your alternate email or phone number. If you do not have any alternate verification methods on file, please contact the IT Service Desk at 704-687-5500.

To UPDATE your personal cell phone number follow these instructions:

1. Log into My UNC Charlotte
2. Click on Banner Self Service
3. Select Personal Information

To ADD your personal cell phone number follow these instructions:
