How do sponsored NinerNET guests know they have received a NinerNET account?

Tell Me

NinerNET accounts get created for Sponsored Guests on the start date. A notification is sent to their personal email address. As of January 31, 2019, all sponsored guest accounts will also be required to use Duo 2-factor authentication.

1. Once the NinerNET sponsored guest account has been approved and created, the guest will receive an email notification at the alternate email address:

   From UNC Charlotte Information Technology Services
   Name: Norm Niner, NinerNET User Name: miner46S
   A NinerNET (@uncc.edu) account has been established for you to access University electronic resources (e.g. Gmail, computer login, network drives, etc.).
   To create your NinerNET password, go to pimanager.uncc.edu and click the ‘Activate Account’ button.
   If you have any questions please call the IT Service Desk at 704-687-5500.
   Thank you,
   UNC Charlotte | Information Technology Services
   9201 University City Blvd. | Charlotte, NC 28223
   Phone: 704-687-5500
   help@uncc.edu | http://itservices.uncc.edu
   ________________________________________________________________
   These and other communications may contain confidential or privileged information. If you are not the intended recipient of this transmission or a person responsible for delivering it to the intended recipient, any disclosure, copying, distribution, or other use of any of the information in this transmission is strictly prohibited. If you have received this transmission in error, please notify us immediately by telephone at 704-687-5500. Thank you

Once the NinerNET account has been created, the Sponsor and the Submitter will also receive an email notification that the request has been completed.
