How do students login to Poll Everywhere to use a license?

Tell Me

These instructions will show students how to login to Poll Everywhere using their UNC Charlotte NinerNET credentials.

1. Your faculty must first import the Canvas class roster from Canvas into Poll Everywhere.
   1. For students to respond to questions, they must have logged on using the Poll Everywhere app (iOS or Android) or through a browser (Chrome, Firefox, Safari).
2. Poll Everywhere questions have the URL visible at the top of each question page (e.g., polleverywhere.com/name of the poll).
3. Students will navigate to URL of Poll Everywhere for their instructor (PollEV.com/instructorID).

5. Enter your NinerNET user name and password and click Log In. If you are already logged into a UNC Charlotte system (Canvas, Gmail, etc.) you should be automatically logged into Poll Everywhere. Otherwise, the NinerNET Login screen is displayed for you to enter your credentials.
5. Once logged in, you will see your instructor's poll
6. Respond to the question that your instructor has activated
