How do I find the MAC/AirPort address on my university Mac?

Tell Me

1. Click on the Apple menu in the upper left corner of your screen
2. Select System Preferences (you can also click the System Preferences icon in the Dock)
3. Under the Internet & Wireless section, click on the Network icon
4. Choose the AirPort on the left side and click Advanced...
5. The AirPort ID will be displayed at the bottom of the window
