How do I request a Google Consumer App be made available to UNC Charlotte?

Tell Me

1. To request a Google Consumer App be made available to the UNC Charlotte community, complete this form
2. Once IT receives this request:
   1. Google Admins, Security and Client Engagement review request
   2. This team looks at need, cost, customer reviews and security considerations
   3. If no concerns, team will test to validate performance
   4. If all goes well, app will be approved and requester notified

If there is a cost for the consumer app, the requesting department should be prepared to pay for that cost.
