How do Continuing Ed students change their Canvas password?

Tell Me

You can change the password you use to log into Canvas if you forgot it or want to use a different one.

1. Access the Canvas login page
2. Click the Forgot Password link. The Request Password page is displayed.
3. In the Email address text box, type the email address associated with your Canvas account.

Warning!

Do NOT use a uncc.edu email address. You need to use the email address associated with your Continuing Education account.
4. Click **Request Password**. You will receive an email with the subject: **Forgot Password: Canvas**

5. Access your email account and open the forgot password message from Canvas

6. In the message, click the **Click here to set a new password** link. The Change Login Password window is displayed

7. In the **New Password** text box, type a new password of your choice

8. In the **Confirm New Password** text box, type the password you entered in step 7

9. Click **Update Password**

10. The **Canvas login page** is displayed
11. Type your user name and the password you created into the appropriate text boxes and click Log In

NOTE!
If you do not know your Continuing Ed user name, contact your Program Manager.
