How do I create a listserv account?

Tell Me

End of Service

This service is being replaced by Google Groups. ITS will be working with current listserv owners to ensure a smooth transition.

1. Go to https://listserv.uncc.edu
2. Click on the link for get a new Listserv password
3. Enter the required information and then click Register Password

Note
The listserv password does NOT sync with your NinerNET credentials.

4. A confirmation email will be sent to your email address
5. Click on the link in the confirmation email in order to activate your listserv password
