Where are my Canvas courses?

Tell Me

When you log into Canvas, the Dashboard is the default page displayed. The Dashboard contains important announcements and links to courses. If you have not set up the Dashboard, up to 20 courses are displayed. However, these may not be the courses you want to see. You can select the courses you want on your Dashboard.

1. In the left pane, click **Courses**

2. In the Courses pop-out menu, select **All Courses**
3. To specify that a course is displayed on the Dashboard, select the star icon to the left of the course name. You can have up to 12 courses on your Dashboard.

Did You Know?

You can also remove a course from the Dashboard by deselecting the star icon.

4. For more information on the Dashboard, view the Instructure Canvas Guide
