How do I find the MAC/AirPort address on my university Mac?

Tell Me

1. Click on the **Apple** menu in the upper left corner of your screen
2. Select **System Preferences** (you can also click the **System Preferences** icon in the Dock)
3. Under the **Internet & Wireless** section, click on the **Network** icon
4. Choose the **AirPort** on the left side and click **Advanced**...
5. The **AirPort ID** will be displayed at the bottom of the window

---
