Tell Me

Duo will be required for all employees (full-time, part-time, adjunct faculty and student) starting January 31, 2019.

1. Duo provides a second layer of security for your NinerNET account.
2. Two factor authentication requires something you know (your NinerNET password) and something you have (e.g. a phone/tablet).
3. Faculty/staff have the option of setting up a landline for emergencies; students don't.
4. See this FAQ to get started with Duo.
