How do faculty create a class group in Microsoft Imagine Academy?

**Note**

Before creating a class group your students must login and create an account following these instructions.

**Note**

A group is a collection of users that you can treat as a single entity when assigning learning plans. This can streamline the process of assigning training to multiple users, as well as acquiring reporting data on a specific set of users.

**Tell Me**

1. Contact the **IT Service Desk** to have your account elevated to an Instructor role.
2. Follow these **instructions** to login to Microsoft Imagine Academy
3. Click on the **Classroom** link

![Classroom link image](image)

- Curriculum overview
- Learning Paths
- Online Learning dashboard
- Curriculum downloads
- Classroom setup

4. Click on the **Online learning dashboard** link

![Online learning dashboard image](image)

- Videos
- Simulations
- Hands-on activities
- Learning plans
5. Click **Groups** then **Add group**

![Groups](image)

6. Enter **Group Name** and **Description**, click **Save**

7. Click **Add members**

![Add members](image)

6. Click then **Add group**

8. Make sure **Users** is selected

![Users and Groups](image)

9. Use Search or Filter to refine the list of members, and check the box to the left of the ones you want in your group. You can enter any portion of a name, unique ID, or email address to return the desired search results.

![Manage members](image)

10. After you have selected all the members, click **Edit assignment**, make sure **Assign** is selected, and click **Apply**.

11. Click **OK**
