How can students tell if their Canvas course is available?

Tell Me

You can check your enrollment in a Canvas course and also see if your instructor has released content to students.

1. In the left navigation, click the **Courses** icon.
2. Click the **All Courses** link.

![Course list](image)

3. Find your course in the list. If you see the course in the list, you are enrolled in it with the access listed in the **Enrolled as** column.

4. If the **Publish** option is set to **No**, students cannot access the course. Contact your instructor about when the course will be available to students.
