What do I need to do if my project/research involves the use of potentially hazardous biological materials?

Tell Me

1. All research being conducted or sponsored by UNC Charlotte with biohazardous materials and/or recombinant or synthetic DNA must be registered with the Office of Research Compliance and approved by the Institutional Biosafety Committee (IBC).

Info

Application materials are located on the Biosafety Program website.

Contact the Biosafety Compliance Manager at 704-687-1872 for more information.
