Will the campus community vote on these recommendations?

Tell Me

1. The campus community is playing a significant role in the vetting process; however, Chancellor Dubois will make the final decision.
2. So far, there have been several on-campus meetings, focus groups and surveys.
3. Currently, the campus is welcome to offer feedback on BerryDunn’s initial findings and recommendations.
4. There will be more on-campus meetings and feedback opportunities in early Spring, 2019, once BerryDunn has completed their analysis and submitted their revised findings and recommendations.
