

Do sponsored guests or student employees get a University Dropbox account?

Tell Me

1. No. Sponsored guests and student employees will not be automatically given a UNC Charlotte Dropbox for Education account.
 2. If a Dropbox for Education account is needed, please complete [this form](#) and email to the IT Service Desk at help@uncc.edu to make the request.
 - a. Only faculty/staff members can request and sponsor the request.
 - b. The sponsor assumes responsibility for all activity associated with this access, including notifying the IT Service Desk when access is no longer needed.
 3. Access is not available to non-employed students, generic accounts, or Emeritas faculty. Google Drive or One Drive can be used instead.
