1. Determine which one of the following two scenarios fit and follow the Kronos WFR menu instructions listed:
   a. If it is for a day in the current bi-weekly period:
      i. Click My Account > My Timesheet > My Current Timesheet, OR
   b. If it is for a day on a future or a past bi-weekly timesheet:
      i. Click My Account > My Time Off > History
      ii. Click the Open Timesheet icon next to the date requested.

   For past timesheets that are closed, the supervisor or departmental timekeeper must first re-open the timesheet by clicking the reject or correct button located on the green action bar in the top right corner of the employee's timesheet.

2. Click Change Requests on the green action item bar at the top right of the screen.

3. In the window that opens, click the drop-down for Change Type and choose Cancel Time Off or Modify Time Off.

   a. If Cancel Time Off is selected, any approved time off on the timesheet will be displayed.

   i. Click the white box to insert a check mark next to the applicable date to cancel.

   b. If Modify Time Off is selected, any approved time off on the timesheet will be displayed with the pencil edit icon next to it.
