

# What technology services are available to emeritus faculty and staff?

## Tell Me

[University Policy 102.5](#) outlines the criteria necessary to be considered for emeritus status. Upon granting of emeritus status...

- The following technology services are **available or will continue to be available**:
  - A university Google account including email access
  - A university identification card (door access to be granted by building coordinators)

You will need to get a new card after being granted emeritus status. Contact the [49er Card Office](#) for additional details.

- Access to [software.uncc.edu](#)
- Inclusion in the AllFacStaff and the AllFaculty Google Groups for campus communications
- The following technology services will be **discontinued and will need to be requested if needed**:
  - Access to Departmental network files (J: & S: drives)
  - Inclusion in the Dept-All-<Dept> Google Group for department communication
  - Ability to login to computers in the department location

Contact the IT Service Desk for additional assistance - 704-687-5500 or visit [help.uncc.edu](#)
