How do I sign up for/log into an AWS Educate account?

Tell Me

Info

In order to ensure AWS Educate meets your needs please consult with Jesse Beauman, Assistant Vice Chancellor For Enterprise Infrastructure, prior to signing up for AWS Educate. ITS wants to ensure appropriate design considerations are taken into account.

1. Go to Amazon’s Education webpage
2. Click on the button to Join AWS Educate

Join AWS Educate

3. Select the Educator or Student option, as appropriate

4. Complete the application and click Next

University of North Carolina at Charlotte

Frequently Asked Questions
5. Read through the AWS Terms and Conditions and click **Agree** if you agree to the terms. Then click **Submit**.

6. A verification email will be sent to your UNC Charlotte email. Click the link to confirm your address.

7. During the sign in process, if you’re an educator you will be asked for a credit card in case you use more than your initial credits. Speak with your department to determine the best method of payment.

   a. Students are not required to enter credit card information.

8. Any future **login** can simply use your University email address and the password you setup with the account.
