Can I setup two Dropbox accounts on the same device using the Dropbox Sync App?

Tell Me

1. Yes, if you have set up UNC Charlotte’s Dropbox for Business, you can have multiple accounts setup on the same device.
   a. If using the Dropbox Sync App, only one sync app can be installed and the accounts will need to be linked.
   b. Set up your UNC Charlotte Dropbox for Business account and then link your personal account with your UNC Charlotte account if you want.
2. Only Dropbox for Business has this feature, not your personal Dropbox.
3. View this Dropbox webpage for more details.
