

How can I access Banner 8 forms when using Banner 9 pages?

Tell Me

Note

Firefox is the preferred browser to use when navigating between Banner 9 pages and Banner 8 forms using the Application Navigator.

1. When logged in to Banner 9, the first time you try to access a Banner 8 form the Oracle password prompt will ask for your **NinerNET password**

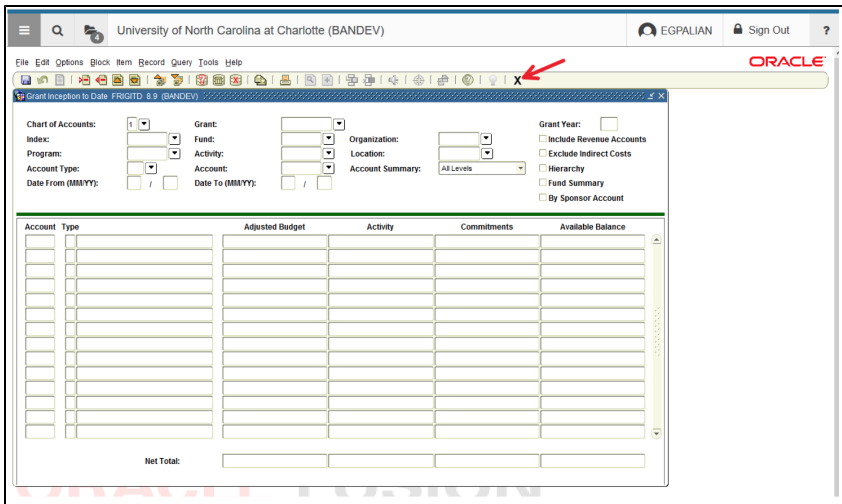

2. If the Java screen appears, click on the **red circle icon**

3. Click **Allow and Remember**

4. The Banner 8 form will appear

5. When work on the form is complete (including saving, if applicable), close the form to return to the Banner 8 Main Menu and access other Banner 8 forms

6. To access Banner 9 pages, click on the **Search** icon

7. In the Search box, begin to type the form or page name/description and select from the list
- If the system is not responsive, minimize the browser window and maximize it again
 - If the form name entered in the Application Navigator Search is only available in Banner 8, the Banner 8/INB menu will appear so the form name can be entered and accessed
