Info

In order to ensure Azure for Students meets your needs please consult with Jesse Beauman, Assistant Vice Chancellor For Enterprise Infrastructure, prior to signing up for Azure for Students. ITS wants to ensure appropriate design considerations are taken into account.

1. Go to Microsoft’s Azure for Students webpage
2. Enter your NinerNet Email Address and click Next

3. Select Work or school account
4. Enter your NinerNet password and click Sign in

5. For public use computers please click No

6. Check I agree and click Sign up

7. You will now be redirected to the Microsoft Azure Portal screen to access your services.
8. Any future login can simply use your University email address and the password you setup with the account
