How do I set up Gmail on my Windows phone?

Tell Me

1. Go to Settings
2. Click on email+accounts
3. Click on add an account
4. Click on Google
5. Click connect

6. Enter your UNCC email address and password

7. Click Sign In
8. You'll be redirected to the UNC Charlotte Web Authentication page. Enter your NinerNET username and password

9. Click Log In
10. Click **Accept** on the next page

- Windows would like to:
  - and manage your mail
  - who you are on Google
  - your email address
  - ago your calendars
  - ago your contacts

*Note: you allow this app and Google to use your information in
in their respective terms of service and privacy policies. You
and other Account Permissions at any time.*

11. On the next page, make sure the **Email** box is checked (you can also sync **Contacts** and **Calendars** if you choose)
