How do I use the My To Do bell to resolve pending approval tasks in Kronos WFR?

Tell Me

The My To Do bell lists tasks that require approval from a supervisor, manager or timekeeper.

1. Click on the bell icon in the top right corner of the screen.
2. Review the tasks that need to be approved.

Note
The following icons in the description box can assist with time off request approval review:

**New UI**
- View employee time off counts
- Modify Time Off request
- Open employee timesheet
- View other scheduled employees for the same day

**Classic View**
- View employee time off counts
- Modify Time Off request
- Open employee timesheet
- View other scheduled employees for the same day

Info
To view comments associated with a time off request, click the **Modify Time Off Request** icon. After review, click the back button to return to the approval screen.

3. Approve or Reject tasks by one of the following methods:
   a. Individually Approve / Reject - approve one (1) task at a time by clicking Approve / Reject button in the description box of the request.
b. **Mass Approve / Reject** - approve more than one (1) task at a time by selecting the box next to the request and click Mass Approve / Reject in the top right corner.

---

**Note**
Time Off requests can still be approved/modified/rejected from the Dashboard or by going to **Manage Time > Time Off Requests > Pending Approval**.

---
