**Accommodation Agreement**

I authorize the Office of Disability Services to discuss my needs and accommodations with University Departments. This consent shall remain in effect until revoked by me, in writing. I agree to follow the guidelines for the accommodations/services indicated in the Student Handbook which I have received. I will notify DS if my disability status changes or if issues arise related to my accommodations. I understand that requesting accommodations other than those indicated may require additional documentation. I have been informed that the deadline for notifying DS of my intent to test in the office for FINALS is three weeks before the first day of Final Exams.

If you qualify for any of the accommodation listed below, please carefully review the corresponding agreement:

10. The selected course appears on the right side with a check mark. On the left side, you will **select the appropriate accommodation(s)** for that course. Not all accommodations may be appropriate for every course.

11. Indicate if your accommodations require any changes.
   a. If no changes are required, click the option **My accommodation(s) are correct the way they are.**
   b. If changes are required, click the option **I need to change or add to my accommodations,** and describe the changes/additions in the note textbox. If changes are required, Disability Services will be notified. You may need to meet with your DS counselor to address any changes/additions.
12. Next, **review** the Terms of Use and Accommodation Agreement.

13. Indicate your agreement by clicking on the checkbox **I agree to the terms outlined above.** Click **Submit.**

14. You will return back to the **Request Accommodations** page. If you did not request any changes, the **STATUS** of any course for which you have completed the process will indicate **Sent.** Your Accommodation Letter has been sent to your instructor through the DS Portal.

15. Repeat the process for any remaining courses in which you need to request accommodation(s).
