How do I move or copy Poll Everywhere questions to another faculty?

Tell Me

In addition to sharing poll questions with other faculty using these steps, you can also move or copy them using the steps below.

1. Log into your Poll Everywhere account
2. Click on the Polls tab, then select the checkbox beside the poll(s) you want to move
   a. Note that the moving the poll completely deletes the question from your list of polls
3. Click the Move button at the top of the screen

   ![Move screenshot](image)

   4. Search for the group/user to whom you are moving the question

   ![Search screenshot](image)

1. Click on the Polls tab, then select the checkbox beside the poll(s) you want to copy
2. Click the Copy button at the top of the screen

   ![Copy screenshot](image)

3. Search for the group/user to whom you are copying the question
