How do I access Photos in Google Drive?

Tell Me

1. If you still want to access your photos in Google Drive, follow these instructions:
   a. In your Google Drive account, select the Gear in the top right corner of the screen.
   b. Select Settings
   c. In the General section, check the box beside Create a Google Photos folder
   d. Select Done

2. You can also access your photos by going to https://photos.google.com and logging in with your NinerNET credentials.
