Why does the Adobe Creative Cloud application say Start Trial?

Tell Me

Info
Students are not licensed to install Adobe Creative Cloud applications like Photoshop or Premiere Pro through the Creative Cloud application. Students needing access can contact their college or department. Adobe products are available on select computer labs across campus.

1. Faculty and Staff that login into the Adobe Creative Cloud application without first signing up for an account will see Start Trial next to certain applications.

2. Please log out of the Adobe Creative Cloud application and log back in after signing up for your account.
