Can I use a 3rd party vendor like iContact, ConstantContact or MailChimp to send emails from a @uncc.edu email address?

Tell Me

1. Yes you can but check with the vendor to see if they support authenticated DKIM compliant mail.
   a. If yes, work with IT to make sure the software is configured correctly - see Step 3 in this FAQ.
   b. If no, either find a different vendor or contact ITS.
