How can I uninstall software on my University computer through Self Service and Software Center?

Tell Me

These instructions may not work for computers in College of Engineering, Student Union and Activities or Housing and Residential Life. Contact your local IT staff.

1. Follow the steps below to uninstall software available through Self Service and Software Center.
2. If the software you're looking for is not available in Self Service or Software Center, contact the IT Service Desk, 704-687-5500.

### Software System Center (SCCM) for Windows 7
1. Log in to your University computer using your NinerNET credentials
2. Click on the Start/Windows button in the lower left corner of your desktop
3. Type “software” in the search field to locate the Microsoft System Center folder
4. Open Software Center
5. Select the application you want to uninstall and click the uninstall button
6. Follow the steps prompted until installation is complete

### Software System Center (SCCM) for Windows 10
1. Log into your University computer using your NinerNET credentials
2. Click on the Start/Windows button in the lower left corner of your desktop
3. Under All Programs/All Apps, locate the Microsoft System Center folder
4. Open Software Center
5. Select the application you want to uninstall and click the uninstall button
6. Follow the steps prompted until installation is complete

### Self Service for Mac
1. Log into your University computer using your NinerNET credentials
2. Under Applications, locate Self Service
3. Open Self Service
4. Select the application you want to install and click the Install button
5. Follow the steps prompted until installation is complete
