How do I connect my personal and my UNC Charlotte Dropbox for Business accounts and switch between them?

Show Me

Tell Me

1. Through a browser, login to your UNC Charlotte Dropbox for Business account (dropbox.uncc.edu)
2. Click the UNC Charlotte option in the bottom left corner - select Add personal Dropbox
3. The below screen will display - click the Sign in link to log into your personal account
4. Enter the email address and password for your personal Dropbox account and click Sign in
5. Your University and personal Dropbox accounts are now connected
6. To switch between your accounts, click the option in the bottom left corner and select the Dropbox account you wish to work with

Note
A “personal” Dropbox account is an account you created, even if it is only being used for work purposes. It is not managed by UNC Charlotte.
