**How do I remove the search box from the task bar in Windows 10 (version 1909)?**

**Tell Me**

In **Windows 10 version 1909** you may see a large search box in the task bar.

Follow the below instructions to remove this search box...

1. **Right click** on the search box
2. Click **Search > Show Search Icon**

   ![Search Options](image)

3. The search box will now show as a search icon
