How were the Technology Portfolio Committee members chosen?

Tell Me

1. Information Technology Services (ITS) reached out to the Deans of the Colleges and the leaders of all the major divisions and units.
2. ITS explained the purpose of the Technology Portfolio Committees (TPC) and asked the leader to identify participants.
3. Each leader was given the opportunity to designate one member to each committee.
4. The leaders identified committee members.
5. Each member was sent a welcome email and asked to serve either a one or two year term.
6. More information about the TPCs, including membership, can be found here.
