What information is needed for a proposal that will include animal use?

Tell Me

The most common information requested on a funding application related to proposed animal use could include:

1. The University’s Animal Welfare Assurance number which is D16-00363 (formerly A3600-01);
2. The University’s animal facility registration with the USDA which is 55-R-0007;
3. A summary of the animal facility features which is typically provided by the Attending Veterinarian; and/or
4. The IACUC protocol number (if you already have an IACUC-approved protocol) associated with the proposed animal work and the date of IACUC approval.

Info

For more information, contact the IACUC Compliance Manager at 704-687-1872 or the Attending Veterinarian at 704-687-5017.
