How do I access Photos in Google Drive?

Tell Me

Info
In early January 2018 Google will remove the Photos tab from Google Drive’s main navigation.

1. If you still want to access your photos in Google Drive, follow these instructions:
   a. In your Google Drive account, select the Gear in the top right corner of the screen.

   b. Select Settings

   ![Settings Menu]

   c. In the General section, check the box beside Create a Google Photos folder

   ![Create a Google Photos folder]

   d. Select Done

2. You can also access your photos by going to https://photos.google.com and logging in with your NinerNET credentials.
