What is the Niner On-line Research Management System (NORM)?

Tell Me

1. Niner On-line Research Management, NORM, is a comprehensive data repository for sponsored projects that includes pre- and post-award administration with electronic routing, approvals and reporting.
2. The system can be accessed on the Research and Economic Development website. You can access NORM using your University credentials.

Info

For more information, contact the Office of Research Services & Outreach at norm-uncc@uncc.edu or the Director, Ellen Zavala, at eezavalal@unc.edu or 704-687-1881.
