How does a student log into Mahara (after completing the first log in)?

Tell Me

1. **Log onto Canvas** at [canvas.uncc.edu](http://canvas.uncc.edu) with your **NinerNET** credentials

![LOGIN TO CANVAS](image)

2. **Select** the courses tab from the green menu along the left side of the screen and select the course which requires the e-portfolio

![Courses Menu](image)

3. **Select Mahara** from the list to the left of the screen
3. a. If you do not see Mahara as an option, please contact your instructor

4. You should already be logged into Mahara. If this is your first time logging into Mahara, please click this link to complete the process. This can be checked by selecting the down arrow beside the profile photo icon in the right corner at the top of the screen. Your name will appear as the first tab option.
   a. The name provided to UNC - Charlotte will be used as the name on your Mahara account. Names cannot be changed via Mahara settings.
