How do I use WebEx?

Note

If accessing WebEx for the first time ever, initiate your WebEx account first by:

1. Go to https://webex.uncc.edu
2. Click log in
3. Sign in with your NinerNET account information
4. The WebEx interface will load and your account will be ready for use
5. See this WebEx page for system requirements
   a. Please note: Only Firefox can be used on Linux systems

Show Me

Your browser does not support the HTML5 video element
